131 responses

Indicate how well do you agree with each Program Educational Outcome (PEO) as a predicted accomplishment for the degree

1. Are you able to excel in the engineering positions in the industry emphasizing design and implementation of engineering systems and devices in the areas of mechanical engineering?

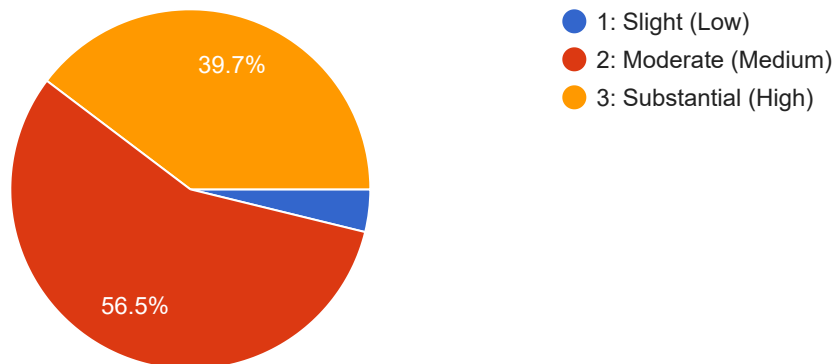

131 responses

2. Are you able to excel in the best post graduate institute for achieving advanced degrees in mechanical engineering and allied disciplines?

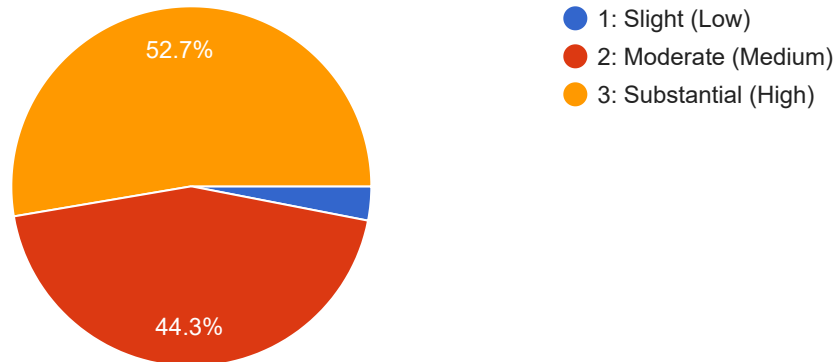

131 responses

3. Are you able to establish a successful career in engineering, related field and adopt to changing technologies?

 Copy

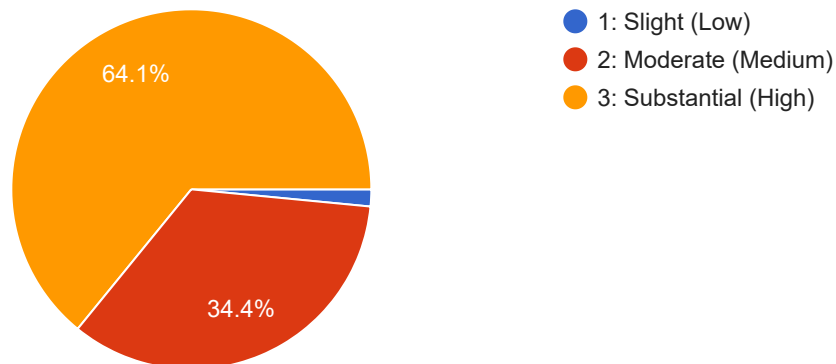

131 responses

4. Are you able to continue your personal development through professional study and self learning?

 Copy

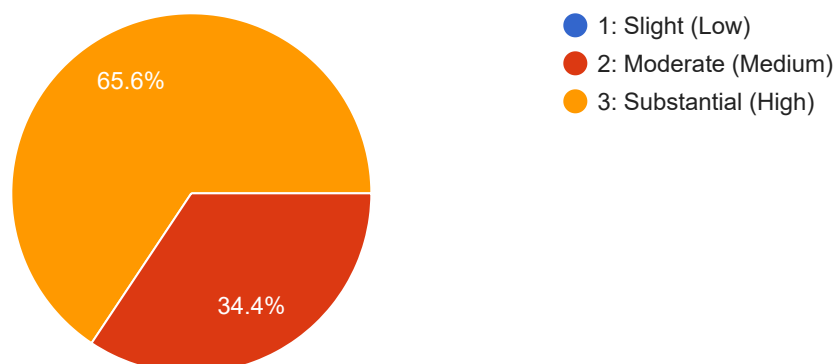

131 responses

5. Are you able to become a good citizen and a cultured human being, with full appreciation of importance of professional, ethical and societal responsibilities?

 Copy

131 responses

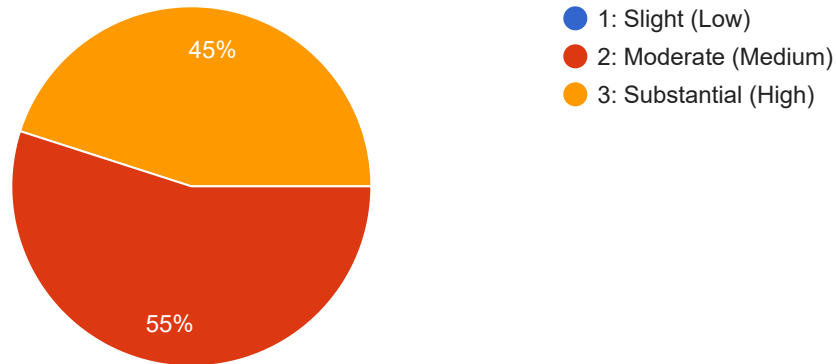

Indicate how well do you agree with each Program Outcome (PO) as a predicted accomplishment for this program

5. Are you able to solve complex Engineering problems during your Engineering study?(Engineering Knowledge)

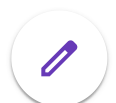

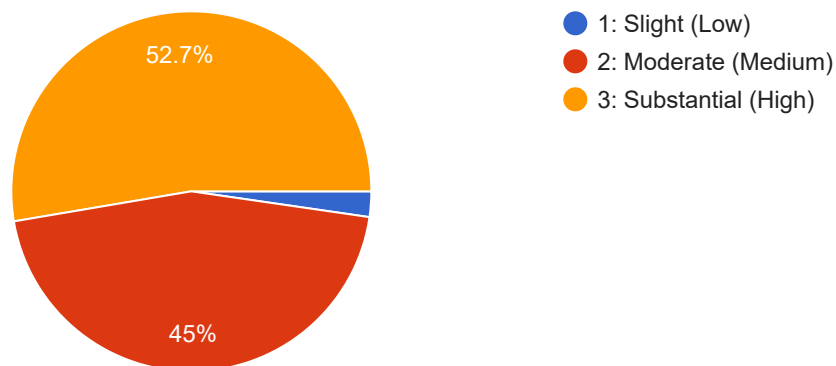

131 responses

6. Are you able to do literature survey for analysis of complex Engineering Problem?(Problem analysis )

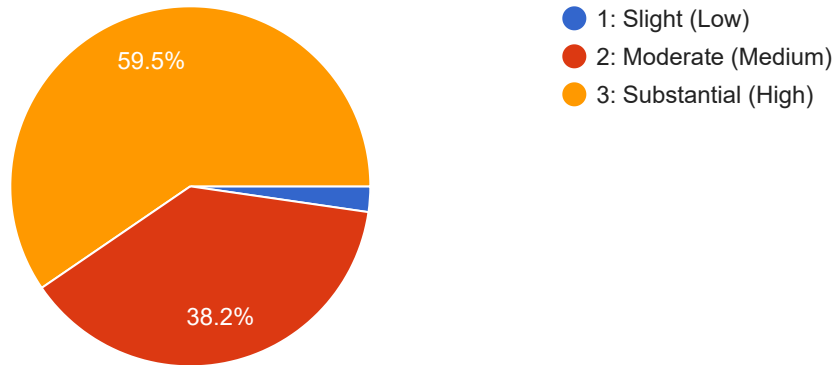

131 responses

7. Are you able to give solutions to Engineering problem during your project at final year which is useful to public health, safety, cultural or social and Environment?(Design / Development of Solutions )

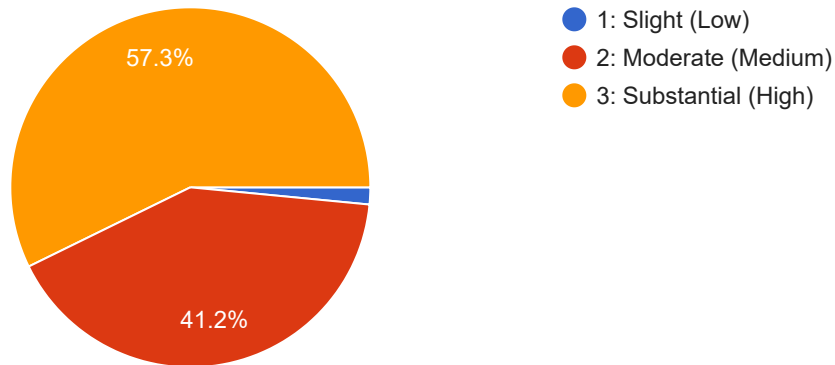

131 responses

8. Are you able to apply the knowledge or skill set for experimentation, analysis, interpretation of data to provide valid conclusion for complex problems?(Conduct investigations of complex problems )

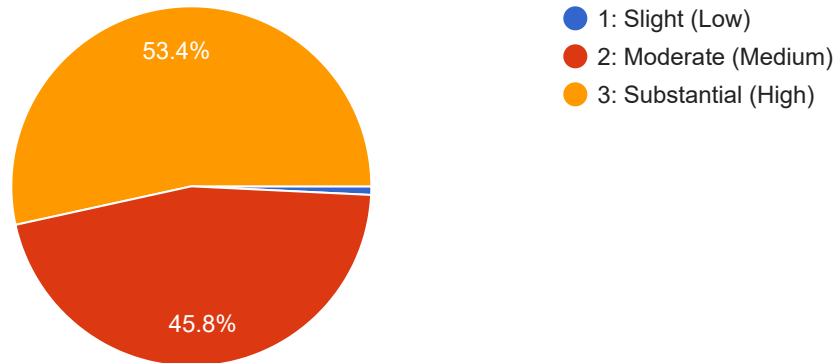

131 responses

9. Are you able to apply modern Engineering tools to solve the complex Engineering activities during your mini-project, final year projects or during your internship program?(Modern tool usage )

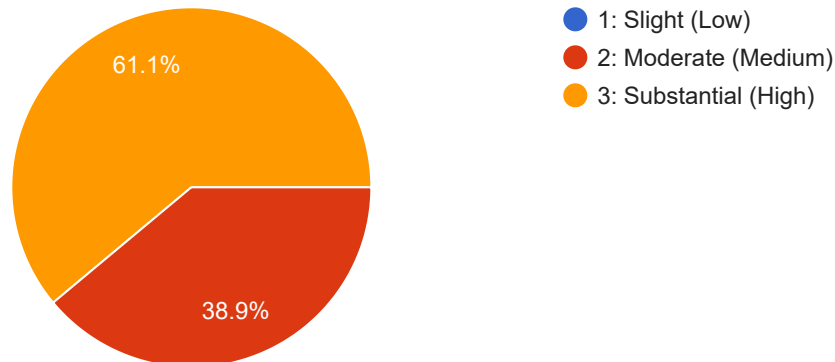

131 responses

10. Are you able to apply contextual knowledge to assess societal, health, safety, legal and cultural issues relevant professional Engineering practice?( The Engineer and society )

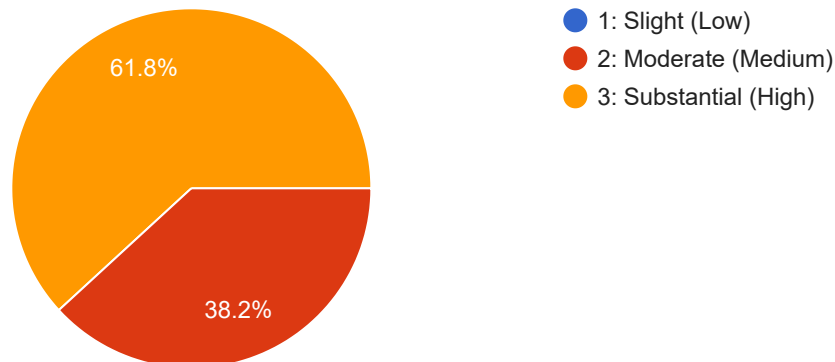

131 responses

11. Are you able to solve the issues/problems related to environment or sustainability development issues?(Environment and sustainability )

131 responses

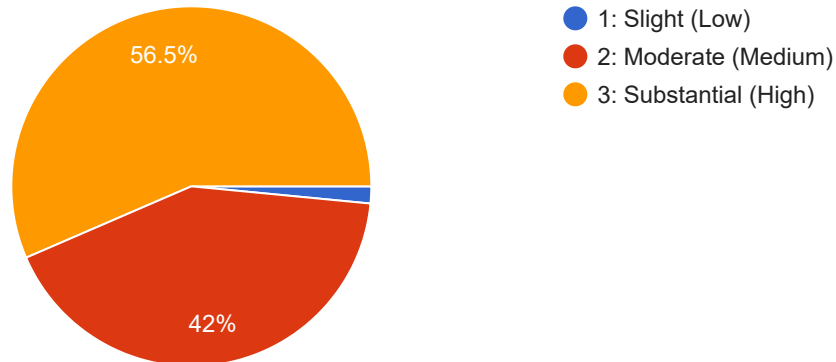

12. Are you able to apply ethical principles during your program study?

 Copy

(Ethics)

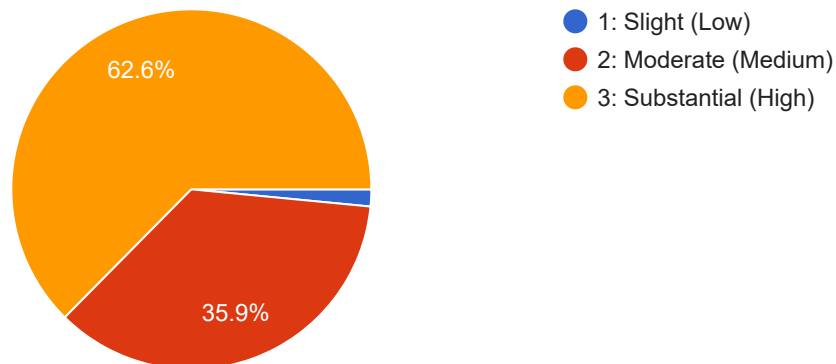

131 responses

13. Are you able to function effectively as an individual or member or as a team leader? (Individual and team work)

 Copy

131 responses

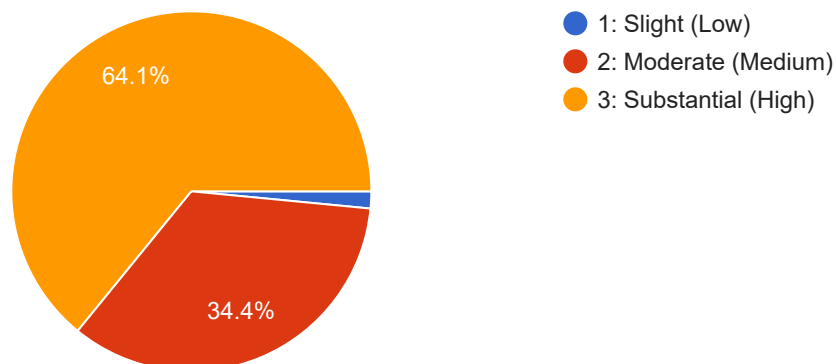

14. Are you able to write effective project reports, design documents, make effective presentation, give and receive instructions?

 Copy

(Communications)

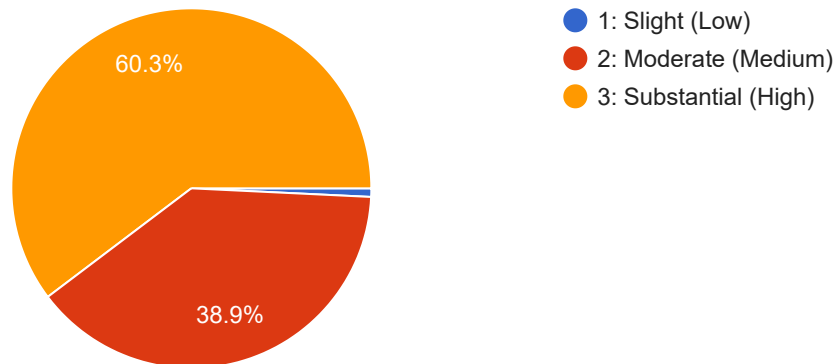

131 responses

15.Are you able to apply Engineering knowledge to make a project with cost effectiveness?(Project management and finance )

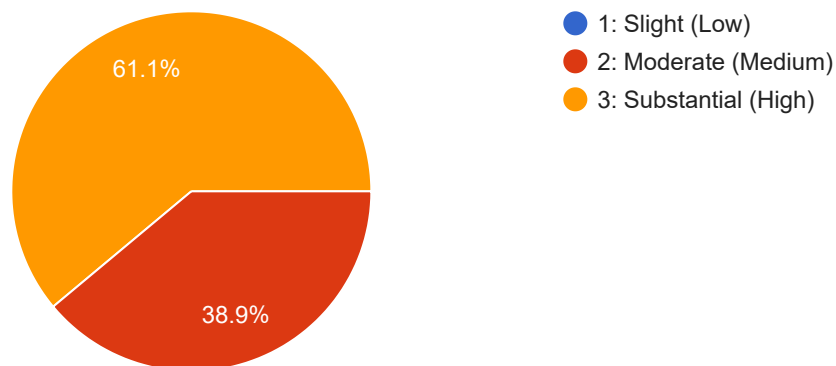

131 responses

16.Have you recognized yourself for lifelong learning in the broad context of technological change?(Life-long learning )

131 responses

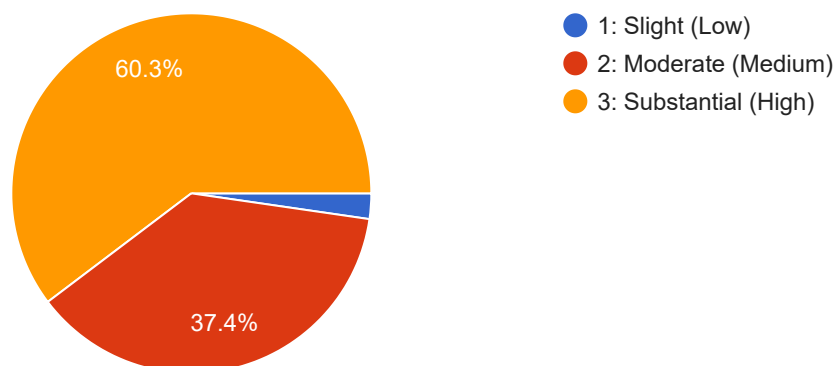

### Experience of Education in the Institute

17.Are you well prepared for the professional field?

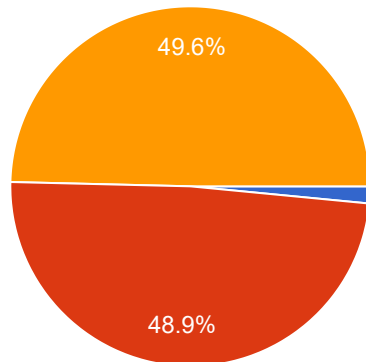

131 responses

18. Do you feel the course work requirement in your study met your expectations?

 Copy

131 responses

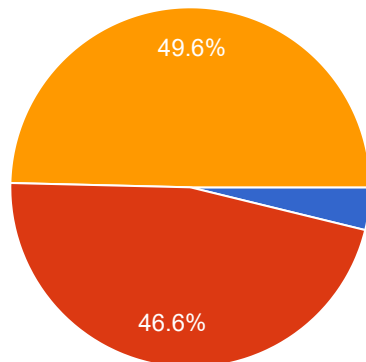

- 1: Slight (Low)
- 2: Moderate (Medium)
- 3: Substantial (High)

19. Are the Modern Engineering Teaching Tools incorporated into your class and/or laboratory activities?

 Copy

131 responses

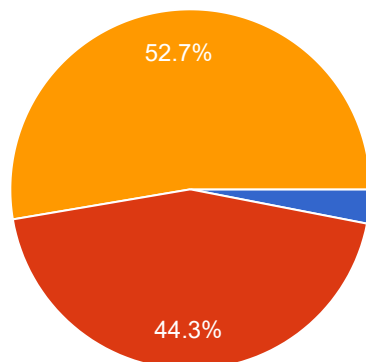

- 1: Slight (Low)
- 2: Moderate (Medium)
- 3: Substantial (High)

20. Do you feel that the classrooms are neat, clean and always supportive to the teaching and learning activities?

 Copy

131 responses

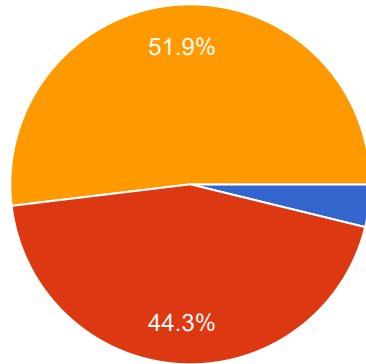

- 1: Slight (Low)
- 2: Moderate (Medium)
- 3: Substantial (High)

21. Do you feel that the laboratory facilities found to be adequate?

 Copy

131 responses

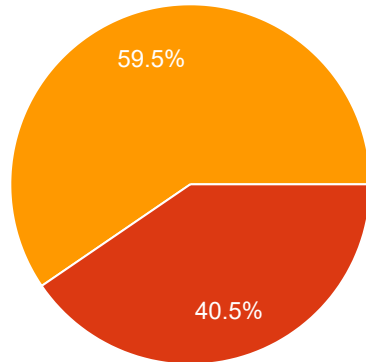

- 1: Slight (Low)
- 2: Moderate (Medium)
- 3: Substantial (High)

22. Do you experience that the faculty members are available for assistance with your educational processes?

 Copy

131 responses

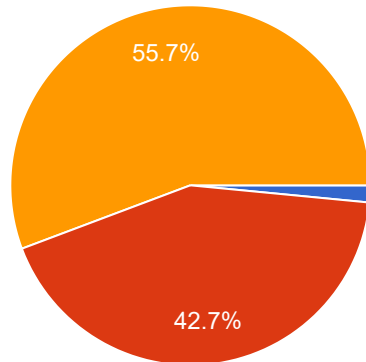

- 1: Slight (Low)
- 2: Moderate (Medium)
- 3: Substantial (High)

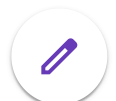

23. How do you experience about the overall quality of teaching and learning in the program of your study?

 Copy

131 responses

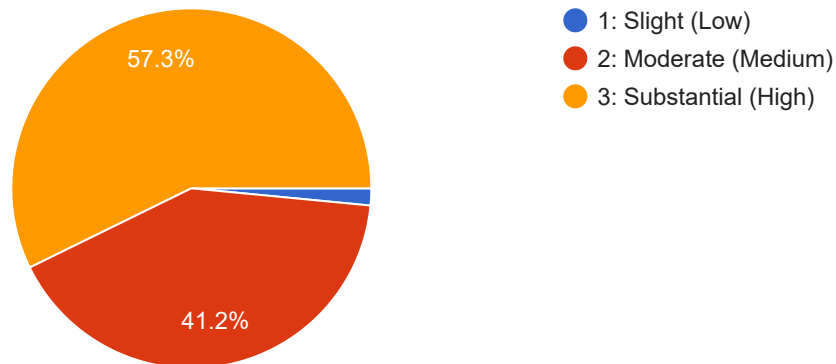

- 1: Slight (Low)
- 2: Moderate (Medium)
- 3: Substantial (High)

24. Have you received the course study material given by the respective teachers?

 Copy

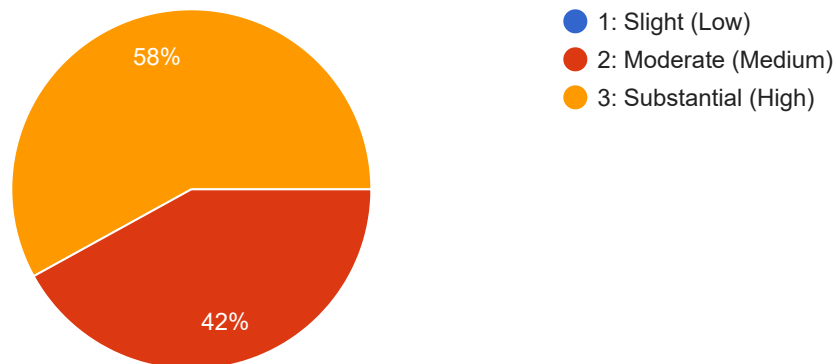

131 responses

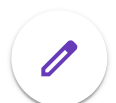

25. Can you recommend the Institute to your friends or colleagues etc. for admission to course?

Strength and Weakness of the Department

## 26. Weaknesses of the department.

131 responses

No

NA

None

Nothing

Nothing

No weakness

.

None

N/A

No

N.A.

Na

N.A

No weakness

Not any

-

No weakness department is very good.

Improvazation of laboratories

Lack of equipment facilities and tools

-

None, doesn't matter that much

N

No weakness observed

There is no weakness

Drinking water availability at summer .  
Staff of student section is not behave well with student.  
Not understand the problem of student.

No extra curriculum activities

No extra curricular activities for enhancement of personality development of a student.

None.

No extra curriculum activities

not necessary.

No focus on practical knowledge

No weaknesses

Some teachers can perform better with their teaching skill and development of workshop is needed

Practical knowledge

Need to work on delivery of practical knowledge, new tools, new technology, etc.  
Need to include various practical practices such as competitions and department need to support them.  
Upgraded systems and softwares should be included in academics

Less campus placement

Sports

Some of the facilities to be improved.

No weakness

Practical knowledge is not there

All things are good but lack of practical facilities.

Need more programming based knowledge for automation.

Future opportunities are low considering the current scenario

Limitations related to future opportunities in mechanical field

Drinking water facility will be expected

Not Co-operate with students problem

Less Sports activities, social events

As per my view there is no weakness of the department.

There is very less implementation of modern tools and computers. I feel like Modern tools like softwares for learning and emails for communication should be used.

No Weaknesses

Lack of modern instruments in the laboratory and the new technology which being used in industry.

Global companies not showing interest in our college, not coming for campus recruitment. Highly experienced staff left the college.

Sports Activities

No sports activities

Designing softwares skills are required

The weakness of the department lies in uncleanness in laboratories and classrooms. Professionalism is not well maintained. Environment in and around the department could be a scope for development.

You should improve placement

Needs more extracurricular activities and students participation

Not proper time management

Water problem

## 27. Strength of the department.

131 responses

No

NA

Management

Teaching

All is well

Teaching

Very Good teaching staff

Unity

Supportive Faculties.

Good management

Proper interaction and guidance to students

Supportive teachers

Supportive and knowledgeable teachers

Supporting in every activites

Helpful

Excellent facilities with great knowledge

Discipline

Discipline, Time management

Very cooperative

N

Strong management

Co-operative department

Consistent and Discipline

Infrastructure, and staff are doing their best.  
Dr. Shiurkar sir is the the backbone of our institute.

Supportive professor staff

N.A

Good and helpful staff

Faculty and environmental about education

1. Faculty & Research,
2. Working Environment,
3. Academic Programs
4. Interactions with Community &
5. Expert talk sessions

good faculties

Good faculty

Well Corporative And Knowledge Teachers

Good teaching staff.

Supportive staff and available facilities and resources.

Good faculty department

Supportive staff

Education

Supportive, Open-mindedness, well streamlined.

Good teaching in theory

Communication between teacher and student

Well maintained labs

Well maintained lab

Good support from the teachers to students in every problems

Faculty

Well maintain lab

Theoretical knowledge

Supportive teaching staff,

Staff and teacher's

Good teaching staff

Good quality teaching

Available anytime for guidance

Don't know

All facilities and our honorable HOD sir are the strength of the department and students also. Thank you for becoming me knowledgeable, respectful

All Faculties and Our Honorable HOD sir are the strength of department and students also. Thank you so much for becoming me knowledgeable, respectful.

Highly professional

Excellent .. teaching by all the staff

Good Teaching Quality

Great teaching

Can perform in all field

Can perform in all fields

Academic

Enhance knowledge

Effective technical skills

Have a great and supporting staff.

Nice teachers

And give every facilities to students

Good Behaviour of Staff

Coordination with students

Teaching is good

All

Theoretical knowledge .

Able to adapt in every situation.!

They support us in every difficult situation

Good core knowledge and excellent faculty feedback

Friendly faculty members and overall good learning experience.

Good teaching staff

Good teaching

Discipline

Academics.

Good faculty

All the teachers are very cooperative

Consistent

Best supportive teachers. In mechanical department every teacher is very supportive to any work and environment of the department is also very healthy and good with well maintain laboratory equipments.

Very supportive teachers and staff and great guidance for extracurricular activities. Great learning experience.

Unity, team work,

Good communication

ONo

Good

Highly supportive faculty members,Hod and director sir

Supportive teacher staff.

Special concentration.

Overall effort from student and teachers are good.

Decipline.

Unity

Strong knowledge

Gopekar Sir

Experience faculty

Coordination

What's mechanical engineer proof that!

..

Learning
