Dear Mr. Nikhil,

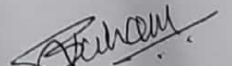

First of all, I would like to take this opportunity to appreciate your expertise in the domain in which your contribution is outstanding. I am amazed with the spontaneous feedback from the student about your expert talk.

I am thankful to you for sharing your valuable time and wisdom with our students. I am sure your priceless guidance to our students was a great contribution in developing their thought process and shaping their future.

Once again, thank you for enlightening the campus with your gracious presence on 15th Feb 2024 (Thursday) Looking forward to a long-term association with you.

Thanking you,

Dean Academics

Chhatrapati Sambhajinagar

Dear Mr. Nikhil ,
Greetings of the Day!

It gives us immense pleasure to extend you a cordial invitation to deliver a guest lecture to our First Year Engineering students. We feel proud in inviting you for the **Expert Talk**.

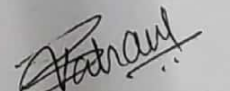

Our Institute is situated in the heart of Aurangabad city and the name "Deogiri Institute of Engineering and Management Studies" is approved by AICTE, Government of Maharashtra and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere.

We take a lot of effort to groom our students, not only in their chosen discipline, but also broaden their mindsets and create a positive attitude thus equipping them with all qualities to make them face the competitive world. The core values of the Institute help the students to develop their overall personality to become a successful technocrat at global level. The institute is trying to provide as much exposure as possible to nurture the talent to make them ready for the upcoming challenges that they are going to face in future globally.

To reduce the gap between academics and co-curricular activities, we regularly organize guest lectures. As per our telephonic conversation I request you to deliver a guest lecture on "**Co-curricular Activities**" to our First Year Engineering Students and provide your Expert guidance.

The Expert Talk is scheduled on 15th Feb 2024 at 1:15 pm for FE-VIII (Electronics and Telecommunication Engineering) Students.
