<b>15.Multidisciplinary / interdisciplinary</b>	
<p>Institute has always strived for a multidisciplinary approach in its academic as well as co-curricular activities. Students are encouraged to undergo minor/major projects in the Multidisciplinary/ Interdisciplinary mode by formulating teams from different courses. Students are also encouraged to formulate teams from different disciplines to participate in various events like BAJA, E- BAJA, TIFFAN etc. Institute conducts Project competition as Engineering Exploration in which students of various programmes participate. Students Participates in multidisciplinary projects such as GIZ MASSIA Projects. Multidisciplinary Projects are showcased in Staff Hackathon organized by Institute. Currently, for students admitted in</p>	

session 2022-23 and onwards, in which Institute will offer various certificate courses in the fields other than the parent discipline.

#### **16.Academic bank of credits (ABC):**

Institute motivates students to take online courses through National Schemes like SWYAM, NPTEL in online mode. Students taking this online course are consider for the credit points. 500 students participated and certified in this course for the credit points. Institute is in the process of developing a system for executing ABC in true spirit. All students of our Institute are registered for ABC and Digi locker.

#### **17.Skill development:**

Institute promotes students for various certificate courses, Value added courses and Enrichment courses for enhancing skill sets of students. Department of Civil Engineering conducted skill development courses such as Structural Design using Staad Pro, Structural Drafting using AutoCAD, Structural Design using Staad Pro Connect Edition, REVIT Architecture in which 67 students were benefited. Following are the efforts taken by the Institute for the skill development of students in the Academic Year 2022-23. Students of Computer Science and Engineering participated in AWS CLOUD FOUNDATION - AWS Certified Cloud Practitioner EXAM in skill development program. Students of Master of Business Administration have undergone various skill development programs offered by the department such as Personality Development, Business Analytics, Advance Excel. Students of Mechanical Engineering were benefited by the Skill development programs such as CATIA 3D Experience, Unigraphics 8.5, Advance Welding Technology, AI & ML for Mechanical Engineer, Campus Credentials, and IT Course.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

In line with NEP 2020 Institute has planned to integrate Indian Knowledge system in the various programs. Under the Curriculum of different courses knowledge and information related to Indian culture, History and language is shared with the students. For the convenience and better understanding of the course content, courses are delivered in English, Hindi, and Marathi. In an Effort for strengthening Indian knowledge system apart from curriculum every department has a departmental library wherein the Literature is made available to students for reading. Awareness of Indian Knowledge system will be done by organizing

Expert Talk, Seminars in the Institute for Academic Year 2022-23. Institute has participated in Translation of Mathematics Book into Marathi Language.

### 19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Outcome Based Education is a need of today's educational system. Institute has a serious and systematic approach in implementation of OBE and focus on OBE as follows- 1. Students are well informed about the Program Objectives, Program Educational Objectives and Course Objective. 2. Each Course owner plans the course in advance focusing the PO, PEO and CO. 3. Assessment Methodology is informed to students before the Commencement of course. 4. Blooms Taxonomy is used for assessing the learning levels of students. 5. Various Assessment tools such as course Exit survey, Program Exit Survey. Alumni and employers feedback, Internship reports, Industrial visits and field trips, written tests, project and seminar reports are used.

### 20.Distance education/online education:

For Effective Teaching-Learning Process Institute promotes the use of online tools. Faculty use the Power Point Presentations, Videos, online Quiz, V- Lab, NPTEL Videos in delivering the course content. Faculty have developed their own Videos and uploaded.

### 2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

As per the university guidelines Institute has a transparent and robust strategy to deal with the Internal examination related grievances which is time -bound and efficient. Important aspects of Internal examination related grievances are as follows:

Class Test / Mid Semester Test is conducted for the internal assessment. After assessment, answer books are shown to the students. Marks of the students are displayed on the notice board to ensure transparency in the evaluation. Student signature is taken on the marks obtained sheet in test. Continuous evaluation of Laboratory work is assessed daily. Marks given after evaluation are signed by the students. The student can raise the grievances related to internal examination and internal evaluation to the course coordinator, the concerned course coordinator investigates the matter in order to resolve the grievance. In the case the grievance redressed by the course coordinator is not accepted by the student, the student may contact the Head of the department and the head of the department redresses the grievance.

## 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

To create and transfer of knowledge and impart necessary practical skills, and to facilitate improvisation, innovation, and invention the Institution has created an ecosystem. The objective is to provide a conducive atmosphere to develop technological ideas into the product(s). To achieve objectives following activities are being carried out in the Institute.

- Participation of students in various events organized by Tata Technologies Ltd. and MASSIA .
- Internship opportunities
- Students are encouraged to work on live projects with nearby industries
- Faculty Hackathon project activities are promoted in the campus
- Lectures/workshops on IPR and patent laws

From academic year 2022-23 institute has started two initiatives namely "Faculty Hackathon Project" and "Partnership with "Tata Technologies Ltd. and MASSIA".

#### Faculty Hackathon Project

The main objective is to provide a platform for faculty to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. This helps indirectly to students while teaching.

#### Tata Technologies Ltd. and MASSIA

Under this initiative industry problems are given to a group of students and they are expected to come out with a solution for the same. Under this initiative in 2022-23 students have worked on 09 projects.

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The software is used to generate various reports such as accessioning reports, members reports, and circulation reports. Accessioning reports give details of accession register, withdrawn register, date wise purchase, books not marked for circulation. The Circulation report provides details of the issue/returned book list, highest running book, highest running member, book transaction history and book bank issued list. The book circulation is done on students' bar-coded identity cards and barcodes on books. Laser printer and laser barcode scanner devices are available to make book issue-return process easy and accurate. The software is used to generate barcodes of books, spine labels

of books, and members' borrow cards.

Following are the facilities available in the institute library

- The library contains more than 35,000 books out of which more than 2,000 reference books are available.
- The library has a state of the art reading room with a capacity of 250 students.
- The institute has subscribed 102 National and International hardcopy journals.
- The institute has subscribed for more than 11,000 e-journals and facilities such as Science Direct, JGATE, DELNET, EBSCO and National Digital Library are available.
- The library also houses a separate digital library through which web resources can be accessed.

### 4.3 - IT Infrastructure

#### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

IT infrastructure is an essential pillar of the institute to support academic and administrative services. To cater to the volume and speed of services, updating the IT infrastructure is unavoidable.

- The institute has 1001 computers and laptops with it.
- The computer network supported with "HP DL380 " server, having Octa-Core Xeon Silver 4110 Multi-Threaded processor with 144 GB RAM which provides in house computing services, robust Windows Server 2019 Standard Operating System.
- System software is updated from Linux-Ubuntu, Windows to open-source Ubuntu 16, Windows 10.
- Latest Tally ERP 6 software used for accounting is updated regularly.
- The institute has a rack mounted external hardware firewall from world's leading firewall manufacturing company Cyberoam

with model Cyberoam 200 ING, which provides network monitoring, internet load balancing, malware and virus detection, anti-spamming, and user-based protection.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

Every department at the institute has the student's association as:

Mechanical Engineering Student Association (MESA), Student Association of Electronics Engineers (SAEE), Civil Engineering Students Association (CESA), Association of Computer Science and Engineering (ACE), Association of Management Students (AMS).

Students of the Association takes active initiative for arranging various activities for the students. All departmental activities of the students and annual festivals like Teachers Day, Engineers Day, and Blood Donation etc. are coordinated by these associations along with faculty members. These associations play an important role for nurturing leadership quality and sense of responsibility among students. The institute gives significant representation to students in various administrative and academic bodies/committees of the Institution. Apart from this; annual social gathering activities are successfully managed and executed by students. The students get opportunity to coordinate various events in the institute such as Faculty Development Program, Conference, Workshops, and Campus Drives etc.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Institute was established in the year 2009, a self- financed Engineering and Management Institute, managed by Marathwada Shikshan Prasarak Mandal (MSPM) for imparting quality and technical education. The institute is affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere for Engineering courses and Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for Management course.

The established policies, roles and responsibilities of stakeholders, SOPs for various processes and activities in the Institute ensure the integrity and effectiveness of the governance and administration. The Institute believes in shared leadership and participative decision-making wherein stakeholders of the institute participate and contributes for effective realization of the vision and mission.

To imbibe excellence and overall development, IQAC has developed the perspective plan aligning with vision and mission of the Institute. It is the time-bound objective set for academic, administrative, research and development activities. The entire process is based on participative approach wherein the faculty members and other stakeholders are involved in the development of plans and its execution. Different committees and Clubs under the leadership of Senior faculty members are constituted to ensure the value addition which lead to the holistic development of the students.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institution has decentralized approach toward management, for this Institute has delegated authority to the all the departments. All the academic activities are coordinated through Director. Further, to encourage decentralization and participative management, the institute has constituted committees at department level and institute level. This practice has enabled participation of all staff members in coordination of different activities and enabled Head of Departments (HODs) for smooth functioning and solving problems at department level. In each institute level committee one representative of each department is involved so that the activity can be streamlined. This enabled the authorities for conducting and monitoring of activities through better participation and involvement. Faculties are also empowered to decide academic/administrative/co-curricular/extra-curricular activities which have strengthened administrative skills with

professional responsibility and accountability.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Institute has a strategic plan for overall development where the goals and action plans are stated and are aligned with the Institutes Vision and Mission. The plans are developed by a group of people involving Management personnel, Director, HOD and senior faculty members of the institute in consultation with IQAC. The strategic plan was developed for the year 2022-27 by keeping in mind the needs of the students, changing industry scenario, competitive market etc.

Following are the strategies:

- 1 Creating innovative and experiential learning environments
- 2 Engaging in scholarly activity and relevant research
- 3 Strengthening industry and community partnerships
- 4 Quality Assessment from external bodies
- 5 Enhancing capabilities of students for Placement, Higher Education and Entrepreneurship
- 6 Strengthen mechanism for all round development of students.
- 7 Increase awareness of Environmentally Sustainable Development

All the above strategies are successfully implemented using the participative approach.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

For the smooth functioning of administrative and academic process. The trust (MSPM) has adopted decentralized approach, the trust regulates the overall functioning of the institute by forming Local Governing Council (LGC/CDC) at institute level for monitoring day to day functioning of the institute and coordinate with top management and take necessary decision. The Director of the institute is head of Administrative and academic activities and monitors the overall functioning and has powers for academic and administrative, Further Head of Department is authorized for the success of the programme in the department and report to Director .For support function our institute has office superintendent, Account officer, Library, Training & placement, security etc.

Service rules. Service rules have been defined by statutory bodies and decisions are taken based on these.

Recruitment and Promotions Policies: As enforced by Government, affiliating University and All India Council for Technical Education are adhered

Grievance Redressal Mechanism: The institute has a grievance Redressal cell to respond to the grievance arising in the institute.

Following are the committees constituted for prohibiting/addressing various types of grievances.

- Grievance Redressal Committee
- Internal Complaints Committee (Vishakha Samiti)

## - SC/ST Cell

## - Online Grievance Redressal Portal

**6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**

**Institute has well designed performance appraisal system. It is**

implemented with the help of Performance Appraisal Form which evaluates overall performance of the employees.

Performance is self-assessed and duly filled in PAF by Faculty and Staff at the end of every year. PAFs are then evaluated by respective HODs /Section heads and Director. PAF system inspires Faculty which boosts professional knowledge and growth.

The performance appraisal system evaluates staff on following parameters:

I. Teaching, learning and evaluation related performance

II. Co-curricular, extension and professional development related activities

III: Research, publications, and academic contributions

IV. Official conduct

Performance Appraisal System for Staff is monitored on the parameters observed. The integrity and their character are also reviewed. The length of service under reviewing authority is noted. The system is transparent and the appraisal with comments of the Head of the Department is then analyzed by the Director. After the evaluation every concerned staff is either appreciated or directed for further improvements.

Based on the reviews, the report is submitted to the Management for further actions. Appraisal of non-teaching staff is also conducted annually. Sample appraisal form is available in attachment.

## 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling

audit objections within a maximum of 200 words

Trust (MSPM) regularly conducts internal and external financial audit of Deogiri Institute of Engineering & Management Studies (DIEMS). DIEMS has separate Accounts Department to ensure maintenance of annual accounts and audit.

The work of internal audit has been entrusted to MSPM's internal audit department, and it is carried out virtually where Accounts ERP fees software and Tally Prime Gold is linked to MSPM centralized ERP (cloud storage) where internal auditor has complete access to all the transactions, in case of any query documents are procured from the accounts department and rectifications are done immediately

External/Statutory audit is conducted by Chartered Accountant (CA) S.M.Sherkar & Co. verifying and checking all financial and accounting activities of the institute like Income and expenditure records, purchases, journal vouchers, interest earned, and payment to staff, vendors, contractors, students, and other service providers. External auditors also audit store records, Library records, employee attendance records, Statutory compliance, tax calculation etc. It takes one to two weeks for the audit to complete and submit the report.

The purchase of goods in huge amount and quantity is done through tendering process.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The college has formulated policy for funds utilization which ensures effective and optimal procurement and utilization of funds for academic, administrative and development purpose.

Every year, the Institutional budget is prepared well in advance after taking into consideration the requirement of every Department. Each Department prepares the budget based on the requirement such as equipment, computer as well as consumable required for next academic session.

Director present the budget in Governing Body meeting and after discussion and necessary corrections or modifications; Governing Body recommends the budget for approval. The institute also makes a provision for advance and additional funds in case of necessity. The Director and the Head of Departments discuss the requirement and decide the priorities while allocating financial resources for various purposes; and ensure optimum use of available financial resources. The Institute has standardized procedure for sanctioning of funds for various activities and for the settlement of advance and passing of bills for payment, Further variance report is also maintained for feedback and improvement in procurement and effective utilization of funds.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Institute has following Two Best Practices

Best Practice I Title of the Practice: Mentor Mentee Scheme

Mentor mentee mechanism is a platform where each faculty member is assigned a group of students as mentor, and it is the responsibility of the mentor to provide all support to the students satisfying his academic and other needs. This mentoring program would add the quality of self-reliant and judicious use of leisure time apart from daily academic routine. Students are enabled to learn the real practical facts of industrial life under the roof of educational institute.

Best Practice II Title of the Practice: Inspire Series

Institute has started unique lecture series named "Inspire" The Practice In this practice every department is supposed to conduct at least 3 talks per semester under "Inspire" series. The institute tries to invite speakers such as social entrepreneurs, academicians and entrepreneurs for this series who have built their career in adverse situations and the experiences shared by these speakers highly inspire the students.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Deogiri Institute of Engineering and Management Studies' Vision clearly state about Nation building by creating opportunities for rural and urban students through excellence in education and research in the field of Engineering and Management and hence is committed for developing the students for best academic and industrial practices by implementing teaching learning methodology, promoting all round development . We strongly believe that following are the skill set required in this competitive world for a student

1. Complex Problem Solving
2. Critical Thinking
3. Creativity
4. People Management
5. Coordinating with others
6. Emotional Intelligence
7. Decision Making
8. Service Orientation
9. Negotiation
10. Cognitive flexibility

To inculcate this, we have introduced an additional subject "Engineering Exploration" which is a team-taught course that focuses on problem solving, engineering design, multidisciplinary skill etc. by forming interdisciplinary groups with 72 hours training and then identifying the need statement which is followed by a survey. We are providing them mentors to find out the need statement. Hence, we feel very proud of running such activity which makes DIEMS distinctive.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Institute adheres to university academic calendar and in line with it prepares institute and departmental academic calendar. Every department before commencement of semester conducts a meeting for distribution of subject load as per curriculum. Accordingly time table for class, laboratories and individual is prepared . Faculty prepare course plan, teaching plan before start of semester. Well-designed staff dairy and course file is available with every faculty. Continuous assessment-I & II are well planned by the faculties. Faculty conduct practical's as per Time Table & Syllabus. To correlate Theoretical Knowledge with Actual Practices, Industrial visits and expert Talk are organized. Attendance sheet, Permission letter, Thanks Letter & Photographs are well documented. Head of Department takes review of syllabus status in every semester. Institute has well equipped class rooms with LCD Projector, Internet facilities .Faculty members uses various advanced tools in teaching learning process such as PPT, Videos, ,etc. Students are exposed to Industrial world through Internship & Industry Projects. Attendance is monitored on regular basis and maintained. Attendance record is maintained in department. Institute promotes for various certificate courses, Value added courses and Enrichment courses for enhancing skill sets of students. After Mid semester & End semester result analysis is done & maintained in Department.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

As per affiliating University guidelines, the Institute prepares academic calendar which includes commencement of semester, theory exam dates, practical exam dates, internal

exam dates and end of the semester. Considering this, the Institute prepares detailed academic calendar. The meeting of the heads of the departments along with IQAC is conducted to decide the academic planning of the year. Before commencement of the semester, the Institute prepares its own academic calendar in line with the university academic calendar. Based on the Institute academic calendar every department prepares the departmental academic calendar, which includes departmental curricular, co-curricular and extracurricular activities. The academic calendar is displayed on the notice board and published on the college website to communicate it to the students, teachers, staff, and parents well in advance. The institute academic calendar consists of the following information related to CIE: Commencement of Semester Class tests / Mid Semester Exam Dates for Continuous Assessment Project related seminar Project Review . Test coordinator prepares the detailed schedule of Class Test which includes the Question paper submission, Answer paper assessment for every unit test. Every department conducts project progress review and seminar presentations. Conduction of Theory Examination Evaluation of Term work based on continuous evaluation.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Institute take care of students having different learning ability and to cater students of different learning levels Institute plan in a systematic way. Every Department has its own policy for addressing this Issue. For Fast and Slow learners following steps are followed

1. Identification of Slow and Fast Learners.
2. Teaching Methodology for slow and Fast Learners.
3. Planning of Activities for slow and fast learners.
4. Assessment methods
5. Outcome of the Methodology adopted for slow and Fast Learners.

Following are some of the activities conducted in academic year 2022-23 for slow and fast learners.

Activities for slow learners:

1. Personal Attention in teaching
2. Re-test for improvement
3. Question bank
4. Remedial Classes.

Activities for Fast Learners:

Institute promotes advanced learners to participate in paper presentation, project competition, Surveys etc.

Workshop/Seminar on current trends.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

In line with Graduate Attributes, Vision and Mission of Institute, POs and COs for all programmes are stated and displayed on website. It is communicated to teachers and students before the commencement of the program and the course. Departments of the Institute and IQAC organizes various Seminar and Workshop, Orientation Programmes addressing POs, COs. The resources (faculty, library, laboratory, etc.) and pedagogy to be adopted for effective course delivery and student learning are determined in consonance with the Course Outcomes to be attained. POs and PSOs and COs are a mandatory part of the course file prepared by the course owner. The assessment of course outcomes is done by using direct and indirect measurement tools. POs and PSOs are displayed/conveyed through Institute website. Display Boards at Department and other common places.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Institute is committed to quality education which is reflected in its programme outcomes and course outcomes. The POs and COs

attainment is evaluated in following way:

**Direct Method:**

1. The continuous internal assessment and end semester examination are the prime tools for evaluation of POs and COs attainments. The continuous internal assessment comprises of CAI & CA-II. Apart from this Assignments, Practicals Projects & Seminars continues Evaluation are used as the assessment tools. The marks obtained by the students are mapped to COs and POs.

2. Experiential learning in the form of Internships, Industrial Visits, organizing events like workshops/seminars also used to evaluate students organizational and leadership skills which are component of POs.

**Indirect Method:**

1. Students feedback on curriculum is obtained and the same is shared with the departments so that their feedback is discussed and relevant changes if any, are made.

2. POs are evaluated based on the performance of the students in terms of their progression to higher studies, qualifying in the competitive examinations and placement.

### 3.2 - Innovation Ecosystem

#### 3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

To create and transfer of knowledge and impart necessary practical skills, and to facilitate improvisation, innovation, and invention the Institution has created an ecosystem. The objective is to provide a conducive atmosphere to develop technological ideas into the product(s). To achieve objectives following activities are being carried out in the Institute.

- Participation of students in various events organized by Tata Technologies Ltd. and MASSIA .
- Internship opportunities
- Students are encouraged to work on live projects with nearby industries
- Faculty Hackathon project activities are promoted in the campus

- Lectures/workshops on IPR and patent laws

From academic year 2022-23 institute has started two initiatives namely "Faculty Hackathon Project" and "Partnership with "Tata Technologies Ltd. and MASSIA".

#### Faculty Hackathon Project

The main objective is to provide a platform for faculty to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. This helps indirectly to students while teaching.

#### Tata Technologies Ltd. and MASSIA

Under this initiative industry problems are given to a group of students and they are expected to come out with a solution for the same. Under this initiative in 2022-23 students have worked on 09 projects.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Institute was established in the year 2009, a self-financed Engineering and Management Institute, managed by Marathwada Shikshan Prasarak Mandal (MSPM) for imparting quality and technical education. The institute is affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere for Engineering courses and Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for Management course.

The established policies, roles and responsibilities of stakeholders, SOPs for various processes and activities in the

Institute ensure the integrity and effectiveness of the governance and administration. The Institute believes in shared leadership and participative decision-making wherein stakeholders of the institute participate and contributes for effective realization of the vision and mission.

To imbibe excellence and overall development, IQAC has developed the perspective plan aligning with vision and mission of the Institute. It is the time-bound objective set for academic, administrative, research and development activities. The entire process is based on participative approach wherein the faculty members and other stakeholders are involved in the development of plans and its execution. Different committees and Clubs under the leadership of Senior faculty members are constituted to ensure the value addition which lead to the holistic development of the students.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institution has decentralized approach toward management, for this Institute has delegated authority to the all the departments. All the academic activities are coordinated through Director. Further, to encourage decentralization and participative management, the institute has constituted committees at department level and institute level. This practice has enabled participation of all staff members in coordination of different activities and enabled Head of Departments (HODs) for smooth functioning and solving problems at department level. In each institute level committee one representative of each department is involved so that the activity can be streamlined. This enabled the authorities for conducting and monitoring of activities through better participation and involvement. Faculties are also empowered to decide academic/administrative/co-curricular/extra-curricular activities which have strengthened administrative skills with professional responsibility and accountability.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Institute has a strategic plan for overall development where the goals and action plans are stated and are aligned with the Institutes Vision and Mission. The plans are developed by a group of people involving Management personnel, Director, HOD and senior faculty members of the institute in consultation with IQAC. The strategic plan was developed for the year 2022-27 by keeping in mind the needs of the students, changing industry scenario, competitive market etc.

Following are the strategies:

- 1 Creating innovative and experiential learning environments
- 2 Engaging in scholarly activity and relevant research
- 3 Strengthening industry and community partnerships
- 4 Quality Assessment from external bodies
- 5 Enhancing capabilities of students for Placement, Higher Education and Entrepreneurship
- 6 Strengthen mechanism for all round development of students.
- 7 Increase awareness of Environmentally Sustainable Development

All the above strategies are successfully implemented using the participative approach.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

For the smooth functioning of administrative and academic process. The trust (MSPM) has adopted decentralized approach, the trust regulates the overall functioning of the institute by forming Local Governing Council (LGC/CDC) at institute level for monitoring day to day functioning of the institute and coordinate with top management and take necessary decision. The Director of the institute is head of Administrative and academic activities and monitors the overall functioning and has powers for academic and administrative, Further Head of Department is authorized for the success of the programme in the department and report to Director .For support function our institute has office superintendent, Account officer, Library, Training & placement, security etc.

Service rules. Service rules have been defined by statutory bodies and decisions are taken based on these.

Recruitment and Promotions Policies: As enforced by Government, affiliating University and All India Council for Technical Education are adhered

Grievance Redressal Mechanism: The institute has a grievance Redressal cell to respond to the grievance arising in the institute.

Following are the committees constituted for prohibiting/addressing various types of grievances.

- Grievance Redressal Committee
- Internal Complaints Committee (Vishakha Samiti)

- SC/ST Cell

- Online Grievance Redressal Portal

## 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Institute has well designed performance appraisal system. It is implemented with the help of Performance Appraisal Form which evaluates overall performance of the employees.

Performance is self-assessed and duly filled in PAF by Faculty and Staff at the end of every year. PAFs are then evaluated by respective HODs /Section heads and Director. PAF system inspires Faculty which boosts professional knowledge and growth.

The performance appraisal system evaluates staff on following parameters:

I. Teaching, learning and evaluation related performance

II. Co-curricular, extension and professional development related activities

III: Research, publications, and academic contributions

IV. Official conduct

Performance Appraisal System for Staff is monitored on the parameters observed. The integrity and their character are also reviewed. The length of service under reviewing authority is noted. The system is transparent and the appraisal with comments of the Head of the Department is then analyzed by the Director. After the evaluation every concerned staff is either appreciated or directed for further improvements.

Based on the reviews, the report is submitted to the Management for further actions. Appraisal of non-teaching staff is also conducted annually. Sample appraisal form is available in attachment.

## 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Trust (MSPM) regularly conducts internal and external financial audit of Deogiri Institute of Engineering & Management Studies (DIEMS). DIEMS has separate Accounts Department to ensure maintenance of annual accounts and audit.

The work of internal audit has been entrusted to MSPM's internal audit department, and it is carried out virtually where Accounts ERP fees software and Tally Prime Gold is linked to MSPM centralized ERP (cloud storage) where internal auditor has complete access to all the transactions, in case of any query documents are procured from the accounts department and rectifications are done immediately

External/Statutory audit is conducted by Chartered Accountant (CA) S.M.Sherkar & Co. verifying and checking all financial and accounting activities of the institute like Income and expenditure records, purchases, journal vouchers, interest earned, and payment to staff, vendors, contractors, students, and other service providers. External auditors also audit store records, Library records, employee attendance records, Statutory compliance, tax calculation etc. It takes one to two weeks for the audit to complete and submit the report.

The purchase of goods in huge amount and Quantity is done through tendering process.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

**Institute has following Two Best Practices**

**Best Practice I Title of the Practice: Mentor Mentee Scheme**

Mentor mentee mechanism is a platform where each faculty member is assigned a group of students as mentor, and it is the responsibility of the mentor to provide all support to the students satisfying his academic and other needs. This mentoring program would add the quality of self-reliant and judicious use of leisure time apart from daily academic routine. Students are enabled to learn the real practical facts of industrial life under the roof of educational institute.

**Best Practice II Title of the Practice: Inspire Series**

Institute has started unique lecture series named "Inspire" The Practice In this practice every department is supposed to conduct at least 3 talks per semester under "Inspire" series. The institute tries to invite speakers such as social entrepreneurs, academicians and entrepreneurs for this series who have built their career in adverse situations and the experiences shared by these speakers highly inspire the students.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Deogiri Institute of Engineering and Management Studies' Vision clearly state about Nation building by creating opportunities for rural and urban students through excellence in education and research in the field of Engineering and Management and hence is committed for developing the students for best academic and industrial practices by implementing teaching learning methodology, promoting all round development . We strongly believe that following are the skill set required in this competitive world for a student

1. Complex Problem Solving
2. Critical Thinking
3. Creativity
4. People Management
5. Coordinating with others
6. Emotional Intelligence
7. Decision Making
8. Service Orientation
9. Negotiation
10. Cognitive flexibility

To inculcate this, we have introduced an additional subject "Engineering Exploration" which is a team-taught course that focuses on problem solving, engineering design, multidisciplinary skill etc. by forming interdisciplinary groups with 72 hours training and then identifying the need statement which is followed by a survey. We are providing them mentors to find out the need statement. Hence, we feel very proud of running such activity which makes DIEMS distinctive.
