

# Assessment of the Teachers by the Students of B.Tech. Mechanical Engineering 2025-26 Part I

## VISION

Developing the department as a Centre of excellence to produce engineers with knowledge, skills and character for all occupation.

## MISSION

- To impart quality education to the students to develop technical skills and make them a competitive mechanical engineer.
- To educate, prepare, inspire and mentor students to excel professionally and personally to serve the society.
- To inculcate research attitude among faculty and students.

**Dear Students,**

**This feedback would allow a teacher to consider your suggestions and make necessary improvements in his / her teaching, if required. It will encourage better teachers to become the best. It is necessary that every student should give his/her opinion, here below, without any prejudice. Please respond to all the points by marking 1, 2, and 3.**

## **Action Taken Report on Teaching-Learning Feedback 1**

1. Based on student feedback, it was observed that some faculty members were slightly deviating from their lesson plans. These faculty members were called in person and instructed to adhere strictly to the planned syllabus.
2. To improve student engagement, faculty members were advised to adopt effective flipped classroom strategies.
3. Certain faculty members were instructed to ensure that their lectures and course content align closely with the prescribed curriculum.
4. Faculty members who received positive feedback were appreciated and encouraged to further enhance the teaching-learning process.

## **Action Taken Report on Teaching-Learning Feedback 2**

1. Faculties were instructed to strictly adhere to the Academic Calendar.
2. Faculties were advised to organize Expert Talks and Industrial Visits to enhance practical learning exposure.
3. Faculties were informed to prepare and share a Question Bank with students for better exam preparation.
4. Faculties who received positive feedback were encouraged to share their teaching-learning experiences with other faculty members.
