

Assessment of the Teachers by the Students of TY Mechanical Engineering 2024-25 Part II

VISION

Developing the department as a Centre of excellence to produce engineers with knowledge, skills and character for all occupation.

MISSION

- To impart quality education to the students to develop technical skills and make them a competitive mechanical engineer.
- To inculcate research attitude among faculty and students.
- To educate, prepare, inspire and mentor students to excel professionally and personally to serve the society.

Dear Students,

This feedback would allow a teacher to consider your suggestions and make necessary improvements in his / her teaching, if required. It will encourage better teachers to become the best. It is necessary that every student should give his/her opinion, here below, without any prejudice. Please respond to all the points by marking 1, 2, and 3.

Action Taken Report on Teaching-Learning Feedback 1

1. As per students feedback it was observed that some faculties are slightly deviating from their lesson plan. In person, faculty was called and instructed.
2. For better student engagement, effective use of flipped classroom activity was advised to the faculties.
3. It was instructed to some faculties to deliver lectures and course contents as per the curriculum.
4. Faculties having good feedback were appreciated and motivated to enhance the teaching-learning process.
